

# GARIE MCINTOSH

---

Garie McIntosh writes stories with strong, authentic characters that are defined by strong writing and themes, and he thereby reinforces the power of communication.

---

As a professional autodidact and academic, Garie works to further develop his skills as an editor while also creating educational content through the application of advanced linguistic and grammatical skills.

---

He is currently producing fiction as part of a series of literary novels as well as technical content for advanced editing via his organization, McIntoshLinguistics.
